

Genesis Montessori Preschool: Our Ideals

Spiritual:

- Help the child learn of God as revealed through Jesus Christ
- Encourage the child to become aware of and observe God's creation with all of his or her senses

Intellectual:

- Fully develop within the child a love for learning
- Give him or her the freedom to make choices and work from his or her own interests
- Strengthen his or her love for order which is the basis of the intellect

Emotional:

- To increase self discipline in the child
- To develop the child's power of concentration
- To create a healthy self-concept
- To encourage independence
- To appeal to a child's unique personality, increasing of his or her individuality

Social:

- To develop coordination of movement and balance
- To give practical lessons in simple social graces and courtesies

Physical:

- To develop coordination of movement and balance
- To allow freedom of movement in purposeful activity
- To give experience in coordinating both the large and small muscles of the body
