

IMPORTANT: PLEASE READ CAREFULLY

1. THE GENESIS MONTESSORI PRESCHOOL will release your child(ren) only to the parent(s) and person(s) listed to call in case of an emergency. We realize that parents often form car pools to transport their child(ren) even after school starts. Therefore, on the Enrollment Form, you will find a heading entitled Authorized Persons for Car Pool. It is your responsibility to add the name(s) of a person(s) you authorize for this purpose before the time you wish the car pool to begin. Your signature and the date you add a name(s) to this category is required.
2. Any other person wishing to pick up your child from the preschool, other than those listed in item number one must be cleared by the authorized parent(s) or the person(s) to call in case of an emergency.
3. THE GENESIS MONTESSORI PRESCHOOL will not undertake the responsibility to decide who has legitimate custody of a child should a parental dispute arise. The preschool will rely only on the information provided by the enrolling parent, until a court document indicates otherwise.
4. All children enrolled must have both parents information filled out on their paperwork. The only reason we would not obtain this information is if there is a restraining order against a parent. Likewise, we cannot withhold a child from either parent unless there is a restraining order on file with the director of Genesis Montessori Preschool.
5. Parents who wish to remove names of designated persons from item number one notify those previously listed of such changes.
